

ARYAN CHAND

Bitcoin • Capital Markets • Technology

New Delhi, India | +91 99531 28750 | aryan19chand@gmail.com

SUMMARY

Entrepreneur and operator working at the intersection of Bitcoin, capital markets, and technology. Chief Business Officer of one of India's first publicly listed Bitcoin treasury companies, with hands-on experience spanning treasury strategy, institutional fundraising, regulatory structuring, and full-stack product development.

EXPERIENCE

HODL Systems (Shamrock Industrial Company Limited)

Aug 2024 – Present

Chief Business Officer & Founder | *India's first publicly listed Bitcoin treasury company (BSE)*

- Led Bitcoin treasury strategy and capital allocation modeling for a listed balance sheet.
- Structured institutional capital raises and strategic partnerships across the digital asset ecosystem.
- Evaluated renewable energy integration for Bitcoin mining operations in India and Norway.
- Navigated evolving regulatory frameworks governing digital asset allocation.
- Actively involved in the SPA, open offer, and preferential allotment process.

Cypherock

May 2023 – June 2023

Founder's Office Intern | *Crypto hardware wallet startup*

- Worked on hardware wallet ecosystem awareness and go-to-market education.
- Assisted with institutional custody education and positioning.
- Contributed to product positioning and community initiatives.

SWiFi

Sept 2018 – Jan 2020

Head of Engineering | *Smart home automation venture*

- Led engineering for a smart-home automation venture, overseeing hardware and product development.
- Designed and built embedded home-automation systems and prototypes.
- Delivered a product pitch at MIT, USA, representing the venture on an international stage.

PART TIME

Advisor to Family Offices & Funds

Ongoing

Crypto & AI Investment Advisory | *HNIs, family offices, and institutions*

- Consult for high-net-worth individuals and family offices on crypto and AI related investments.
- Advise on Bitcoin as a treasury asset, including allocation strategy, self-custody implementation, and regulatory navigation in the Indian context.

PROJECTS

The MOB

themob.co.in

Founder | *Bitcoin education and media platform*

- Founded and built a Bitcoin education platform delivering structured content on Bitcoin fundamentals, monetary history, and institutional adoption for an Indian audience.
- Designed and developed the product end to end, from content architecture to web build and brand.

GCC Tax GPT

gcctaxgpt.com

Founder & Builder | *RAG-based AI tax advisor for the GCC*

- Built a retrieval-augmented AI tax advisor covering all six GCC jurisdictions, grounded exclusively in 1,000+ official government publications with cited sources and zero hallucination.
- Engineered a hybrid semantic and keyword retrieval pipeline that returns answers traceable to a specific document, page, and article.

- Developed for a highly decorated UAE accountant; in early discussions with Big 4 firms to integrate the tool into their tax departments for associates.

EDUCATION

IIM Bangalore (Digital Business & Entrepreneurship)	Class of 2028
Manipal Institute of Technology B.Tech, Artificial Intelligence & Machine Learning <i>Left to build full-time</i>	2022 – 2024
